Isra Chowdhry

Graduate Student at Johns Hopkins University

Isra Chowdhry is a Graduate Student at Johns Hopkins University. She obtained her Bachelor of Science in Public Health and is currently pursuing a Master of Science in Data Science. She wishes to bridge the gap between the healthcare field and the tech world. Although she is new to this world of technology, she enjoys learning and gaining new skills. A few fun facts about her is that she loves reading, has an orange cat named Goku, and loves trying new things!

Projects

Module 1: Personal Website

This project is to help understand the fundamentals of website contructions. This is done by using a Flask-based personal website built using HTML templates, CSS styling, and Python.
